A History Of The Amish: Third Edition

Synopsis

The Amish, one of America's most intriguingly private, unique, and often misunderstood religious communities, have survived for three hundred years! How has that happened? While much has been written on the Amish, little has been revealed about their history. This book brings together in one volume a thorough history of the Amish people. From their beginnings in Europe through their settlement in North America, the Amish have struggled to maintain their beliefs and traditions in often hostile settings. Now updated, the book gives an in-depth look at how the modern Amish church continues to grow and change. It covers recent developments in new Amish settlements, the community's conflict and negotiation with government, the Nickel Mines school shooting, and the media's constant fascination with this religious people, from reality TV shows to romance novels. Authoritative, thorough, and interestingly written, *A History of the Amish* presents the deep and rich heritage of the Amish people with dozens of illustrations and updated statistics. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Book Information

Paperback: 416 pages

Publisher: Good Books; 3rd ed. edition (February 2, 2016)

Language: English

ISBN-10: 1680990659

ISBN-13: 978-1680990652

Product Dimensions: 5.5 x 1.2 x 8.4 inches

Customer Reviews

Steven M. Nolt is a professor at Goshen College, where he teaches American history and Mennonite history. Over the past twenty years he has visited dozens of Amish communities in numerous states and in Ontario, doing numerous research projects. Nolt's PhD is from the University of Notre Dame. He is the author or coauthor of a dozen books, most recently *The Amish and Seeking Places of Peace*, the North American volume in the *Global Mennonite History* series. He lives near Goshen, Indiana.

Nolt's "History" is a well-written classic. The third edition continues the concise, thorough attention to detail and the scholarly efforts that those of us who follow his work on a regular basis have come to expect. His overview of the Anabaptist origins of the Amish, extending to their present lifestyle and experiences is highly readable. Strongly recommended for any student, researcher, or professional working with the Amish.

Has a lot of interesting information. I purchased another for someone else who is enjoying it, too.

I find this book interesting. I think many would not because of the detail used by the author. In that regard I find myself skipping detail that is beyond my interest and move on. All in all - I commend the book for those in this narrow interest - the Amish.

Interesting but too detailed. I was looking for something lighter with a more general overview.

Excellent source.
