Customer Reviews

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too.Â Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

I miss the older Berenstain Bear books. The message is nice but I didn't expect such a strong religious tone. I'll stick to the old ones from when I was a kid.

I bought most of the Berenstain bear books for my children when they were young. These books teach morals and vocabulary concepts. So excited that they can be purchased on the tablets. Hope

my children will get them all for my grands. I will buy them, too.
