The Assassins Guild Box Set: 4 Complete Historical Romance Novels

Synopsis

Get all 4 books in C.J. Archer's ASSASSINS GUILD series in a single volume at one low price. Each book in this box set is available separately, but by buying them in this bundle, you're getting a better deal! Contains THE CHARMER, THE REBEL, THE SAINT, THE SINNER. Praise for the books in THE ASSASSINS GUILD series: "as i started reading this book i thought i had made a huge mistake...as i am NOT a lover (usually) of 1598 time period! BUT...C. J. Archer not only pulled me into this book but the three books after this one. she had me "hook, line and sinker" by the end of the first chapter." ~ reviewer Ev "If you like well developed characters, colorful situations and lots of intrigue you'll love this series of books as much as I did. Buy them all, because you'll have to in the end." ~ reviewer Marcella

THE CHARMER Orlando Holt has never assassinated a woman before. The lovely, feisty Lady Lynden will be his first. She's supposed to be a vicious murderess, but when Orlando begins to have doubts, he sets out to discover the identity of the person who hired him. What he learns will turn his world upside down, and propel him headlong into love with a woman who's immune to his charms.

THE REBEL Cole is a mystery, even to those closest to him in the Assassins Guild. All anyone really knows for sure is that he's ruthless, grim, and cares little for his own life. So when he loses his memory during an attack and thinks himself a naive eighteen year-old again, no one can really believe the transformation. But as his memory returns, so do the nightmares and the dark reality of who he has become. When gentle-natured Lucy falls in love with the damaged stranger, she thinks him a smiling, amiable gentleman. But rumors of a murder in the nearby village have her suspecting that her patient may be hiding a terrible secret.

THE SAINT Elizabeth Buckley has been in love with Edward Monk for most of her life. Unfortunately he's only ever had eyes for her older, prettier sister. Five years after he left the village to make himself worthy of a Buckley, their lives intersect. This time, she's determined to make him see her and bed her. All Edward has to do is convince the girl he loves to set aside her betrothed and wed him instead. When her betrothed becomes tangled in a web of lies and murder, it's up to Edward to untangle him. If only he could keep his mind on the task, and not get distracted by the wrong Buckley girl.

THE SINNER Guilt and desire battle within Hughe's soul. When the enigmatic leader of the Assassin's Guild learns that the widow of one of his targets is at the mercy of a cruel man, he does the only thing left in his power to do. He marries her. Then the worst thing happens. He falls in love with her. With more than one person trying to kill him and a family to rescue, Hughe needs the help of all his Assassins Guild friends to stay alive and keep his wife from learning the truth. Because he knows, and dreads, what will happen when she discovers what he did.

Customer Reviews

Do not let the manly cheesey covers stop you from reading these books. This is a 4 book set that I read over 4 days. I adored this author's 'Medium' books and I wanted to give another of her series a go. Once again, we are given engaging and delightful characters involved in intrigue in Elizabethan England. The heroes are all members of a group calling themselves the Assassins Guild. The guild was founded by Lord Hughe Oxley, himself, the hero of book #4 The Sinner. While I wish we knew more about why he formed the guild in the first place and how he learned how to be an assassin. It did not deter me from enjoying these books. I also wish that there had been more details at times about life in England and about how the Elizabethan court worked, etc. It was this lack of details and back ground for the stories that caused me to give them a 3 star review instead of a 4 star review. (I hardly ever give out 5 star reviews.) Otherwise, the heroines were intelligent, pretty and feisty. No wilting flowers here. The heroes are all handsome and are hiding the secret that they are an assassin. There is a mystery to solve often involving who hired the Guild to take out a target. There were some twists to some of the stories making you wonder what was going to happen next. And yes. There is some sex in these books. Not a lot but it is sexy. This was one of the author's first published series and it is not as polished as her later series, but still a highly enjoyable read.

Action, adventure, mystery in the 16th century. Handsome men, beautiful women....oh. I have given this series a 4 because there is some very detailed bedroom scenes. If offensive to you too, do what I did & flip through it fast. Recommended for adults only. ..explicit sex luckily not much.

Love C J Archer's books, no matter the series. Her prose evokes a tone of of times long past, and yet, casts light upon the strength of character of women that were not in any way emancipated or free. Excellent stories.

Are the stories are well written, incorporating suspense and a good plot. The vernacular was not always of the time period mentioned, but I was able to overlook that. Worth reading.

Although the story lines in these books echo one another, they're all very good reads and the characters are likable. I thought the premise was a good one, though not necessarily unique: wealthy nobleman with a keen sense of justice, decides to provide justice for hire through a group of very talented and dangerous assassins, who determine whether their target should be eliminated. There's a good bit of humor as well, which I enjoyed. Predictably, not everything always goes as it should, but the resolutions are worth waiting for. I recommend these books for enjoyable weekend reads, when you can just sit back and enjoy the stories.

Complex and mysterious. Can stand alone but I recommend reading in order

Great stories , all tying together the group of characters, reading these make u feel u are back in thar time period.

I love this series have read the whole series, such a great writer.
