"[A] wonderfully twisted concept . . . features fairy tale characters banished to the nourish world of present-day New York."â "WASHINGTON POST "Spellbinding epic."â "BOOKLIST "Clever, enjoyable . . . an excellent series in the tradition of SANDMAN, one that rewards careful attention and loyalty."PUBLISHERS WEEKLY"One of the best damn series ever written."â "AIN'T IT COOL NEWS

Bill Willingham has been writing, and sometimes drawing, comics for more than twenty years.

During that time he's had work published by nearly every comics publisher in the business and he's created many critically acclaimed comic book series, including Elementals, Coventry,

PROPOSITION PLAYER and of course the seminal Vertigo series FABLES, as well as its spin-off

series FAIREST, JACK OF FABLES and THE LITERALS. His work has been nominated for many awards, including the Eisner, Harvey and Ignatz comic industry awards and the International Horror Guild award. He lives somewhere near a good poker room.

I take my time reading Fables, its my favourite series. It should never end. I never know what Mr. Willingham is going to come up with next.

great and fast shipping

I sort of lost interest in the series when i got to this point. The binding in these books is bearable but kind of strained, like its too tight in the middle and sometimes cuts off some images. But otherwise very good.

GREAT BOOK

I'm a new Fables reader, but I was hooked from trade 1, and have been climbing the rungs of Willingham's Fables ever since. I was kind of curious how they'd keep me ravenous and eager for more after the unveiling of The Adversary, but Willingham is still barreling forward with a full head of steam, and I can't wait for them to release the next Deluxe Edition. As an aside, I was lucky enough to get that first trade signed at Baltimore Comic Con, and Bill Willingham was gracious and friendly. That attitude just adds to the overall attraction of his stories.

About halfway through Deluxe Edition Volume 9, interesting wrap-up to the war with the Adversary, the final showdown in some ways, but not the final war for the Fables, I suspect.

Fantastic series and a great addition!

exactly what i wanted, shipped fast
