Elizabeth Hayley is actually "Elizabeth" and "Hayley," two friends who love reading romance novels to obsessive levels. This mutual love prompted them to put their English degrees to good use by penning their own.

I'm addicted to Elizabeth Hayley! The first book, Dazzling, had me salivating for more D and S and Radiant couldn't get here fast enough! Fast paced and HOT HOT HOT, you are going to want to devour this trilogy...but don't be surprised if at the end you are counting the days until Exquisite releases.

Great read. I just love these quick read books. Also the way James is adding other authors to write some of these with him. It helps him get to the romantic points.

I did not realize this book only carried James Patterson's name because it was published under his "BookShots" and he had nothing to do with its contents. I bought all 3 books but only read the first and half of the second. Then I gave them away. I love James Patterson, have read all of his books, but this was definitely not his style. I do not recommend this book unless you are looking for a "50 Shades of Gray" type book.

Jammed with sex. The sex scenes are excellently written, but there are too many too close together. They are really hot. Bravo.

EXCELLENT AND FAST SERVICE-PRODUCT WORKS AS PROMISED-WOULD BUY AGAIN-I GIVE IT FIVE STARS- I DO NOT HAVE SEVEN MORE WORDS

Harlequin Romance is not what is wanted from James Patterson. How many chapters does a person need to go through on vivid graphic sex scenes. Any romance is tainted by the need for graphic. I'll read romance writers if that's what is needed.

Another good book to read, I am so happy they got back together, it knew he missed her again

Too many break-ups. Language describing physical encounters was too graphic/raunchy for some readers.
