Enjoy this recipe from Quick & Easy Christmas! Holiday Freezer Cheese Balls

Thanks to Eileen Magiera of Milford, IN for sharing this recipe with us!

1 c. shredded Cheddar cheese  
1 c. pasteurized process cheese spread, shredded  
2 8-oz. pkgs. cream cheese, softened  
1.35-oz. pkg. onion soup mix  
1/8 t. garlic powder  
2 t. Worcestershire sauce  
1/2 c. mayonnaise-style salad dressing  
1/3 c. sugar

Garnish: chopped walnuts  
assorted crackers

Place Cheddar cheese and cheese spread in a bowl and let stand at room temperature for 2 hours. In a separate bowl, whip cream cheese until smooth; blend in cheeses and remaining ingredients except walnuts and crackers. Cover and refrigerate for one hour. Wet your hands and form cheese mixture into 4 baseball-size balls. Roll each in chopped walnuts to cover. Freeze each ball separately in plastic zipping freezer bags. When ready to serve, remove to thaw completely and serve with crackers. Makes 4 balls.

Love every Gooseberry Patch cookbook I have. The recipes are great, the stories are charming and even when I am not cooking, I am reading them! Thank you so much for the wonderful books and ideas! Susan Shilo, from Rochester, NY It's not normal for me to take the time to write to companies...but I just have to this time! You've shared so many ways to create...whether meals, or traditions or crafting and gift ideas...that bring a lot of joy and fun to our circles of family and friends! And so, that's why this note comes with much thanks and hugs to you! Lisa Hains, from Ontario, Canada I received my free cookbook, Slow Cookers, Casseroles & Skillets, and I want to thank you for accepting and printing my recipe! I love the cookbook...especially the "Just 5 Ingredients" recipes that were submitted. Ruth Thorpe, from Langeloth, PA

I have found several good and easy recipes I'm more than ready to try in this book. The Dill Pickle Dip sounds so good and it's a must try. What a fun read for Christmas. I love the book, it's so clean and has so many good recipes. It came very quickly and the price can't be beat.

This Christmas Cookbook has many easy recipes from soup to nuts. Almost any ingredient used in typical Christmas recipes and some not. Even reading this cookbook is enjoyable. It gives you lots of ideas for your annual feast. Several have become my favorites already. Put on your apron and start cooking!

Love these books- great recipes

My granddaughter has been showing an interest in cooking and creating dishes. She's nine. So I bought this cookbook to give her inspiration and to show how easy cooking from scratch can be. We are both enjoying this book with a few modifications when packaged items are used instead of cupboard staples.

Very informative for a "new" cook, also has good ideas for "extras" (in decorating and gift giving).

Perfect

As always the Gooseberry Gals never let us down! A Christmas classic! As a non-cooking person, I loved this book!

very pleased
