Medieval Knights And Chivalry (The Library Of Medieval Times)

Synopsis

After Rome's fall, some of the medieval European kingdoms that rose upon its wreckage maintained units of mounted warriors. Over time, elite individuals in the ranks of those units gained fame as knightsfighters of exceptional skill and courage, whose armor grew to cover their entire bodies and who also enjoyed high social status. Knights took an oath to serve God and their king and developed a special code of honorable behavior called chivalry, which, regrettably for their victims, they did not always follow.

Book Information

Series: The Library of Medieval Times

Hardcover: 80 pages

Publisher: Referencepoint Press (August 2014)

Language: English

ISBN-10: 1601526369

ISBN-13: 978-1601526366

Product Dimensions: 0.5 x 6.8 x 9.8 inches

Shipping Weight: 1.4 pounds (View shipping rates and policies)

Customer Reviews

Gr 7 Up-Drawing on documented primary sources and modern scholarship, these well-written books separate fact from myth and give readers a detail-rich glimpse into life during the often gruesome Middle Ages. Books are primarily focused on Western Europe, and authors describe both the rigid social and religious structures and the ignorance and brutality that were hallmarks of medieval life. They also explain how innovation and expanded trade with the Middle East brought gradual change, especially in weaponry, warfare, and medicine. Texts are supplemented with sidebars that provide longer primary source excerpts and additional information about related topics. Illustrations, which include a single map of medieval Europe and color reproductions of period art and contemporary photos of locations and weapons, add little. These books will help readers and report writers understand the reality of medieval life. Good choices for secondary libraries.Â (c) Copyright 2014.
