Customer Reviews

Amanda Neel is a wonderful artist. Her illustrations are crisp and clean. Some have more details than others making the book great for both novice and seasoned colorists. Amanda has created a wonderful scripture based colouring book that will bring you hours of inspirational and coloring enjoyment. There are 30 full pages and a cover page to color, none of which go into the binding. All are one sided and contain Christian bible verses surrounded by wonderful whimsical designs. Angels, animals, flowers, birds, and so much more. With designs being one sided it makes for easy removal of the pages for both coloring and framing. Medium weight, non-perforated paper as it's a Createspace book means markers will bleed through, so I suggest putting a few sheets of paper in between your pages if coloring within the book to prevent that. Pencil crayons work great with this paper. An uplifting and fun book to color, great for colorists of all ages and skill levels. I've added a video flip through of the book to show you the pages and one page I coloured using Gel Pens.

I enjoy coloring in this book so much! I don't know what kind of paper it is printed on, but I get wonderful results with almost every brand of pencil I have used so far, except some super cheap, no name pencils that were included in a starter set. I have used student grade and scholar grade pencils and both work equally well in this book. I will be ordering more coloring books printed by Happy Coloring.

Beautiful coloring book!

Love this book

I love each of the pictures but the spelling police in me won't be coloring two of the pictures because of spelling errors. Otherwise, all of the others I will thoroughly enjoy!

Wife loves it. Make sure you have some sharpie extra fine tip markers too!

Wish some pictures had more negative spaces but other than that I love it!

great messages & fun coloring
