Pokemon Go: Diary Of A Jigglypuff: Unofficial Pokemon Book

Synopsis

Are you ready to get into the adventure of Pokemon Go? Here is an excerpt from the prologue. Day 1: The fresh, fruity smell of ripe peaches and nectarines is an excellent way to be awoken from a calm, relaxing sleep. Unfortunately, the fresh, fruity smell of ripe peaches and nectarines is not what woke me up today. Instead, I was rudely awakened by the hard, bristly end of a broom swatting me right between my big blue-green eyes. As a Jigglypuff, I am not used to being treated like this. I'm used to waking up next to my big Jigglypuff family, in a large empty field with the breeze blowing. So where was I waking up today? The broom was being held by a red-faced man with a mustache and an apron. He didn't look too happy to see me. As I ran away from him, I passed bananas, apples, and even some peaches and nectarines. I dodged another swat from the broom as I ran into an aisle of soup cans. By this point, I realized I was in a grocery store, and, more importantly, I realized that I had better get out. The mustache man was still hot on my trail as I left the store through the sliding glass doors. "And don't come back!" he shouted after me. I had no plans to go back to the kind of place where they swat you with brooms, but I didn't know where else to go.... Download to hear this exciting story now!

Customer Reviews

My 10 year old daughter enjoyed the book. However, I really resented the fact that there was a weight loss ad in both the front and back of the book. She should not have to read a book that dominantly displays is completely unrelated to the subject matter. My daughter doesn't have a weight problem and never really thinks about it. I don't want a book about her favorite character to

have a healthy girl start questioning her weight. Plug that sales pitch somewhere else.
