Customer Reviews

Pretty good book

As a rule I typically don't care for these short stories. However there is always an exception to the rule and this is it. Every story is excellent, and intriguing. Enjoy them all, but enjoy Pet. Who knows what can happen...

Original and creepy, these short stories do impart a sense of horror that the unspeakable could happen to the innocent bystander. Characters well drawn. The female park ranger, though, was extra dense.

Already have another Amy Cross! melody pullen A thoroughly engrossing read. LOVED the tie in with 'Let Me In' and 'Frozen Charlotte'. Great characters and original. Already have another and will highly recommend!
