Chartered by Congress in 1967, the National Park Foundation upholds a commitment to preserve and protect America's National Parks, working to raise the funds necessary to connect all Americans to the parks and guarantee their future for generations to come. Through its work, NPF programs fund park conservation and restoration efforts, foster youth engagement, promote citizenship, and preserve history in the places where it happened.

I don't really use calendars so I bought this for the amazing photos. I am selling my house and needed something to depersonalize the decor. I bought this to put in my picture frames. The final result is fantastic. Will post photos.

Good calendar. Pretty pictures. It's exactly as expected. Nice big squares to write in information.

I bought this calendar as a gift. The pictures were stunning; and they seemed to draw you in and make you want to go and see for yourself the beauty of these parks. The calendar will be a neat reminder of the beauty of our parks all year long.

So many beautiful photos, so artfully capturing the scenes, I can almost feel the surroundings. Such a wonderful way to support our national treasures. Next best thing to being there.

The photography is vivid, large spaces to write, and all you can ask for in a calendar.

This calendar is the perfect size for listing appointments, etc. and being able to see them without having to squint. I don't think I will ever buy one of the smaller ones again. If your eyesight is getting poor, you will really appreciate this calendar. I highly recommend it.

I wish it had the previous/next month's dates in one of the squares. I have to flip back/forth to check a prior/next month's date. Other calendars I've owned have this as the first and last square of the month. Pictures are awesome!

Beautiful pictures! Pages nice and thick
