Customer Reviews

John Mason has compiled valuable thoughts, quotes and scriptural truths that enlighten, enliven, and enrich life. I recommend it! --Edwin Loius Cole
The originality and practicality of John Mason's words and wisdom are a proven commodity - read and prosper! --Jack Hayford
This book will expose the root causes of frustration and excite you to excel with principles that guarantee fulfillment. --Mario Murillo

There are 52 nuggest of truth in this book that will break down the barriers to excellence in your life. Think about it . . . Don't belittle, be big. Impatience is one "get a head-ache." Don't bite off more than you can chew. Constantly frustrate tradition with your creativity and imagination. Stay our of your own way. When your're trying to be like someone else, the best you can be is number two. Paths without obstacles lead nowhere.

This book is another great one by John L Mason. He continues to knock the ball out of the park with his motivational quotes, inspirational stories and spiritual tidbits to get you through each day.

this is about my third copy excellant book a must read I read it then give it away and buy another

All of John Mason's books are inspiring. I had this book when it first was released but gave it away to someone who needed it.

Very good inspirational book, thought provoking.

I've studied a lot of positive thinking material in my life, to learn more about how our thoughts can actually change our reality. This book will help you change you thinking and reality toward positive results everyday. If you string a lot of days like that together...what a great way to live!

Wonderful author, excellent book, well written, concise, and really zero's in the lesson at hand. You can open up to any page, and learn a valuable lesson. I would highly recommend.

If you've ever stopped doing something that you intended to accomplish and wish you had completed it, this is the book for you. It squelches those negative thoughts and helps you press on to your goal. A must read for anyone who wants to get ahead.

As expected.
