Knit Your Own Boyfriend: Easy-to-Follow Patterns For 13 Men

Synopsis

The Perfect Man Is Hard to Find. Stitching One Is Easy. It's not easy to find the perfect man, so why not knit your own? With easy-to-follow instructions for 13 different types, *Knit Your Own Boyfriend* is an irresistible guide to creating the man you've been "yarning" for. The knitted boyfriend won't make a mess or steal the remote, and he comes with the right clothes for every occasion. *Knit Your Own Boyfriend* offers a wide selection of 13 eligible types: hipster, artist, rock star, doctor, skater, outdoorsman, and more. You decide on his height, build, and skin color, and you can choose hairstyles like slicked-back, curly, side part—even dreadlocks or a ponytail. You can also add facial hair, including woolly beards, moustaches, stubble, or a goatee. Along with the man himself are dozens of sartorial options. Like a guy in uniform? Make your boyfriend into a chef, a fireman, or a soldier. Prefer someone a bit more businesslike? Knit a suit, tie, and briefcase and make him into a lawyer, banker, or accountant. If you fancy something more athletic, there are patterns for a soccer player, surfer, or even an astronaut. Can't decide? Mix and match the clothing patterns to create your own special man.

Customer Reviews

No Bio

I bought this book because I thought it was too funny to pass up. I do enjoy it, and I plan on starting my "boyfriend" today. One of my dislikes is that the outfits are mostly sewn from fabric, the only

knitted items are a sweater and a jacket. However, it is cute and I can't wait to make mine.

great fun to knit your very own boyfriend- and/or unravel him if it does not work out!

I've made one Boyfriend so far and I love reading through and giggling at all the yarn jokes inside. The finished product was rather cute.

Just the concept is hilarious. I actually bought this for my 20-something niece, who loved it, too. Patterns are well-written, as well. This would also be useful for anyone looking for a general doll pattern. It would be pretty easy to modify the pattern to make a girl doll. Better than the icky Barbie and Ken!

This book was adorable and gave wonderful instructions. Even though I am a beginner knitter, I feel like with this book I can make this precious item. I cannot wait to use it!

So cute.

It's a really cute book, however, for a novice knitter or someone who has NEVER touched knitting needles, this book could be challenging. The instructions aren't clear for those that don't know what they're doing. I decided to keep it because I really didn't want to pay return shipping for it. I've just decided to try and learn basic knitting in order to tackle the cute options inside. Having said that, it may be easier to find an actual flesh and bone; human boyfriend. =)

Bought this for my teenage daughter for Christmas. Her expression was PRICELESS!!! I'm sure she'll have an awesome "boyfriend" in no time!
