A Pocket Guide To Everyday Insurance: Insurance Concepts Simplified

Synopsis

Insurance is a necessary evil in life. We all know we need insurance but we would rather not deal with it if given a chance right? Be it Car or Home insurance or Life and Health insurance, there is so much information out there that it is almost impossible to sift through all of it that is available and pick only the details that you really need. This book is designed to make your life easy when it comes to providing only with what is relevant to your insurance needs. Have a question on your car insurance? Chances are you will find an answer to that one on this book. Worried about your home insurance premium going up this year? I share some tips on how to bring it down on your next renewal. Sick and tired of your insurance going up every year? Well, there are some tweaks you could do to make your costs manageable going forward. What's all the fuss about life insurance? Do you really need it? Answers you find in this book may surprise you. Concerns about fixing your credit history, protecting your identity online or insuring your valuables adequately are all discussed in "A Pocket Guide to Everyday Insurance". "A Pocket Guide to Everyday Insurance" is all you need to face your deal with Insurance no matter from which walk of life you are from. As an Insurance Advisor and Broker and also as the author of this book, I have poured in all the knowledge I have gained over the years into this book and really made it a one stop shop to answer all your questions in the best possible way I can. I hope you enjoy reading this as much as I enjoyed writing this for you. Thank you!
