## Customer Reviews

Mary Engelbreit's aphorisms and artwork appear on millions of greeting cards and gift products. Her popularity continues to grow through the success of her books, calendars, home decor, stationery, and crafting lines. Her company is based in St. Louis, Missouri.

Look forward to my calendar every year!

I buy these Mary E products every year for myself and for certain relatives and friends because she so artfully evokes goodness and innocence with her illustrations, wise reminders and quotes. She brings out the unjaded in all of us and makes her fans smile. No artist captures and captivates me more than Mary Engelbreit. Be forewarned. I am writing this same review on all my recent ME calendar based and coloring book purchases. Repetition, in this case, is no less sincerely meant - its just easier and practical!

The only thing I could possibly complain about is that this calendar makes me realize how fast the year is passing by. All of the pictures are just perfect. ME can't be beat.

cute, funny lots of colour, cute...
