Customer Reviews

The acclaimed and influential dancer-choreographer recounts the circumstances of the paralyzing stroke she suffered in 1975, her return to the stage, and the realignment of her life occasioned by those experiences.

One of the most inspirational books you're likely to read. Aggie doesn't give up - ever. How she deals with her stroke, her heart attack and her rehabilitation are incredible. And that she does it all with humor and a good sense of reality make this book good, quick reading.
