Instructions Solid Granny Square + 3 Variations (US Terms)

Instructions Solid Granny Square + 3 Variations

I was asked if i could share a photo guide of my solid square from my Crochet mood basket 2014.

So i was busy taking pictures and i packet three variations to it.
The Variations are perceived by the type of Filet crochet.

With a bit of practice result as beautiful patterns with a pinhole look. Such Grannys result rather spontaneously with me.

For more pictures and inspirations look at my blog or on my Facebook page

Customer Reviews

These squares are explained and pictured really well. Beautiful, classy, simplicity. A great pattern to have for a very small price.

I try to be supportive of all authors brave enough to publish books on Kindle. I try not to judge too harshly because it's not their fault that there are no quality control guidelines for self-published Kindle books. Lack of basic editing is one thing, but I think this book was written by someone who used Google Translate to write a book in English. It's incredibly difficult to follow and understand. I have used books to learn crochet, so that isn't the problem. I would not recommend purchasing this

book, but if it's free, well...just don't expect to get a lot out of it!!!

This a very clear and concise tutorial for this granny square. Highly recommend it.

Short book but great instructions easy to read and do. Good buy for 99 cents. Recommend to anyone who wants to learn a new block.

Great book!

I found the beginning of each instruction a bit abrupt. Things are kind of mashed together. However, once you get into the square a little bit it the instructions become more clear and the square works up easily.

This is not worth the \$0.99. Instruction not readable. Most don't make any sense at all.

I love making grannies and this instruction booklet helps to design so many different ones.
