Great preview with all the statistical information that other previews do not have. Joe Lisi takes you in-on every Power 5 team and gives readers a look into his expert analysis of each team. Joe's preview is amazing as it gives fans a perspective of where each team was strong or weak in 2016 and has stats that matter when analyzing teams. If you are a college football fan, you need to get the Go For The 2 Preview. Joe is the source when it comes to college football. Other annuals can

try and challenge Joe’s preview but they fail to line up to the bar set by the Go For The 2 college football preview....A must read for the 2017 season..

Joe Lisi is one of the most informative CFB writers and speakers I have ever read or listened to. The guy loves CFB and dives into numbers and projections like none other. He is a true CFB fan and can break down any game. His passion for the game can not only be seen in this preview, but on his website gofrothe2.com. A no brainer to buy this book!!

As usual Joe provides great detail and insight. Easy to read and laid out well. Joe’s knowledge is second to none. I would definitely recommend this to anyone looking to gain an edge this coming college football season! I look forward to putting the information to good use.

Joe Liese knows his college football. A must have if you want to make a profit!!

Joe’s use of stats and historical information are brilliant and relative to every team and upcoming game he uses them for. His insight and the way Joe brings everything together for a perfect preview is a work of college football art. As a sports talk show host and columnist in the football hotbed of east central Florida, Joes book will be by my side for everything i I do previewing college football in 2017....Every other preview "magazine" pails in comparison to what Joe’s college football power 5 preview Bible delivers....Alan Zlotorzynski, Space Coast Daily Sports Talk, The Friday Night Locker Room.

Everything in this guide is backed up by factual and statistical analysis. A great read for all serious fans looking forward to the upcoming season. Mr. Lisi always presents his material unbiased and makes for a very good read.
