BENJAMIN BLECH, a tenth-generation rabbi, is a nationally recognized educator, religious leader, author, and lecturer. He is associate professor of Talmud at Yeshiva University in New York City and rabbi emeritus of the Young Israel of Oceanside congregation in Oceanside, New York. The author of *Understanding Judaism* and many other books, Rabbi Blech has appeared frequently on national television and has written for a host of national magazines and scholarly journals. He resides in New York City.

i loved this book so much...and i'm only an 'adopted' Jew! As a long time lover of all things Hebrew, this was such a wonderful insider look at how Israel celebrates the most joyous holiday on the calendar! It has pages inserted at different spots in each chapter to fill in for your own Passover celebrations and filling those out would make it an enjoyable, priceless heirloom for any family!

Another great book. Rabbi Blech has a knack of making you feel good about learning about all things Jewish. I bought 6 copies to give away at the Seder. It has space to add notes after the Seder to help you make the coming years more meaningful.
