The Qur'an (Norton Critical Editions)

Synopsis

This Norton Critical Edition is based on a thoroughly revised and annotated version of the well-regarded Pickthall translation of the Qur'ân. Jane McAuliffe introduces the Qur'ân as a living scripture, preparing readers for an informed encounter with the text. Topics include the scholarly traditions of the study of qur'ânic origins; the centuries of commentary, analysis, and intellectual dissemination that have created a library of qur'ânic literature; the history of translations, particularly those in English; and the many ways the Qur'ân informs Muslim life and material culture. This Norton Critical Edition also includes: • Seven illustrations. • Fifty judiciously selected texts representing the full spectrum of Islamic religious thought that demonstrate the Qur'ân's intellectual impact while those from related Near Eastern literatures, including biblical and extra-biblical sources, elucidate the comparative contexts of qur'ânic themes and narratives. A concluding section presents the Qur'ân as an American book, with a long history and significant influence in the United States. • A Selected Bibliography.

Book Information

Series: Norton Critical Editions

Paperback: 688 pages

Publisher: W. W. Norton & Company; Revised edition (January 12, 2017)

Language: English

ISBN-10: 0393927059

ISBN-13: 978-0393927054

Product Dimensions: 5.6 x 0.9 x 9.2 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)
