Book by MCDUGAL LITTEL

I was amazed that you could buy such a large volume for so little money. It's over a thousand pages and I paid only \$10.

Good condition

just what we expected for a school book

Great condition!!!

This is a gift for someone that is studying to become a chef. I did take it out of the box and it is a very nice product. The weight and handle are very good for cutting and even my smaller hands felt comfortable with the size. i love it , recommend it to my friend. very good seller . just fine.
