German Men Sit Down To Pee And Other Insights Into German Culture

Synopsis

Welcome to Germany, a country where you should always wait at the red man, show up on time for your wedding, and be extremely suspicious if anyone offers you a doughnut. "German men sit down to pee"™ is a tongue-in-cheek guidebook to German culture that highlights the rules Germans consciously and unconsciously follow, while trying to make a little sense of it all along the way. Why, for example, mowing your lawn on a Sunday will mean getting an earful from your neighbour, but lie naked in the middle of a public park and nobody will bat an eyelid. Ideal for anyone visiting or moving to Germany, "German Men Sit Down to Pee"™ offers a collection of insights into German culture while at the same time highlighting rules and cultural norms that those visiting Germany will not only find humorous but useful for avoiding any cultural faux-pas.

fun book to reading. Very simple, i read it in one day. [more like couple hours, if you read it non stop

Good information for the first timer to Germany. Humorous and fun read. Better information than some travel guides tend to offer.

It's not like I had plans for visiting Germany or anything. I just enjoyed it regardless of my level of previous interest to Germany. I showed some excerpts to my German friend and we both had quite a good laugh!

Great info and funny book!

Hilarious! Many customs I experienced while in Berlin for my first visit. I bought the book AFTER I returned home and had such a great laugh reading these morsels of wisdom!

fun and quick read! Many chuckles.

EXCELLENT BOOK
