## **Customer Reviews**

Arrived a bit bent from shipping. But my mother in law was excited.

Love it.....

This is a terrible copy of this book. It was printed in a format that looks like the size of a math workbook. I gave it away.

I cried 2 round fat tears at the very end of this book. One for Anne and one for Gilbert Blythe. This is what love is made of.

This is a story for any generation or gender. Anne has a great outlook on life.

I'm a fan of L. M. Montgomery and the sweet stories she wrote. Nothing truly horrible happens; no bloodshed or gruesome murders. Reading too many of her stories in a row may cause a bit of a sugar overdose, but they're great for bedtime reading and calming the mind before sleep.

Beautiful edition of my favorite book out of a beloved, favorite series. I love the doodle cover illustration. It really looks as if the cover illustrator had actually read(and loved!) the book.

I adore this book and the beautiful dust jacket. The set looks so pretty on my shelf.
