Customer Reviews

The whole "You Wouldn't Want To Be" series is wonderful for all readers. My daughter uses them with her 7th grade-high school aged students. They love the humor, captions and the brief text. The younger set loves reading them but do not always understand the humor of them. Therefore, this book and others will continue to have use in my daughter's classroom. I am currently out of the classroom, but loved using them when I was in.
