Customer Reviews

This book has easy songs and iam able to play all of them! Its prob around 8th grade evel playing but if you know your notes up to a high D and C you'll be good!

My son, 12, found these solos easy to learn and play.

thanks

My recommendation is solely based on how well my son enjoyed it.He is perhaps an advanced beginner. This was an appropriate level and he enthusiastically played until worn out. He loved playing this music (which is not a genre he listens to) and it was great hearing him play.
