Sin And Salvation: God's Work For And In Us (Library Of Adventist Theology)

Synopsis

There is no more important topic than God's plan of salvation for a lost world. Sin and Salvation considers the very heart of the message God's work for us, especially at the cross. Then broadens to explore His work in us. More than a book on abstract theology, Sin and Salvation not only informed the mind but also guides daily life. It seeks to show the interrelatedness of the components of salvation and explores justification, sanctification, perfection, and sinlessness. Converted from agnosticism to Christianity more than 40 years ago, George R. Knight long wrestled with what it means to be saved—what God can do for us and in us. This book in many ways is the result of that personal search: the combination of biblical findings, scholarly studies, and encounters with Christians. Sin and Salvation is an insightful and clear work that will help you better understand God's redemptive plan.

George R. Knight is a retired professor of church history at the Theological Seminary at Andrews University. He is the author of many books, including the Adventist Heritage series, the Ellen White series, and a devotional Bible commentary series.

This is a must read for any Christian to understand salvation and its implications for living it

As usual, George Knight writes very clearly. There are questions that I want to write and ask him about it.
