Book by Hook, Henry

I'm not a super strong cryptic solver and I found these mostly fun. There were some clues that I found very challenging and a few I couldn't get even after a lot of head scratching. The book has about 35 regular 15x15 cryptics followed by about 10 unique cryptics. I found the final 10 extremely fun and the "gimmicks" were mostly logical and fun, with a few exceptions.
