Stockholm & Gothenburg Travel Guide: Attractions, Eating, Drinking, Shopping & Places To Stay

Synopsis

An eclectic and thriving metropolis of over two million people, Stockholm is a visually appealing Swedish city built on 14 islands that are connected by 57 bridges. Wide boulevards and fine buildings keep perfect company with painted wooden houseboats and ultramodern skyscrapers. Sweden's west coast city of Gothenburg (Göteborg) is the second-largest city in Sweden and has a population of 520,000. Gothenburg University is the largest in the Nordic countries with over 65,000 students.

Customer Reviews

This book is identical - in every word and sentence to the Gothenburg Travel Guide. It's odd because they say they're by different authors. I ordered them both and was a tad disappointed. Both are thin, paperback volumes. There are no maps in either book and the descriptions are cursory at best. However, both arrived in good condition and on time.

I would give zero stars if I could. (or go into negative stars, because of the price.) No Maps, no history or interesting facts. Just a list of some main sights with addresses and a brief meaningless

description - seriously the poorest content I have ever seen in any type of book. Ever. This book is 67 pages of "content", but printed in such large font with such huge page margins and paragraph spaces, it's like a high school student was trying to cheat on their research paper. Many of the pages are also devoted to budget hotels (also listed in huge font with huge margins and only an address - no map), descriptions of the type of cafes you would pop into from off the street (nothing off the beaten track), and shopping. Ikea and H&M... seriously? I purchased it because my Rick Steves Scandinavia did not have Gothenburg included (get with it, Rick!)... I should have just printed off a few pages from the visit Sweden website and left it at that. Trying to decide if \$8 is worth sending it back. UGH. Couldn't be more disappointed. You will like this book if you have less than 3 minutes to Google Gothenburg and print 2-4 pages of info off from the web AND if you can't be bothered to grab a few free brochures from train station when you arrive into town.
