Customer Reviews

I believe with my whole heart that Swipe Right is going to inspire and challenge you, and not only that, but could redirect the course of your life and relationships. You might not be in a relationship, or maybe you've had many, but no matter who you are, my husband wrote this book for you.

The truth, hope, and humor that drip from these pages are incredible. It's a book that needed to be written, my husband poured his heart into it, and I'm excited for all that God has for you as you read it. Buckle up. (•Jennie Lusko) My friend Levi is an expert at presenting the raw truth in a relevant way. In Swipe Right he provides a refreshingly real approach to the new challenges our culture is facing concerning sex and intimacy. It's a perspective I believe we need now more than ever. (•Steven Furtick Pastor, Elevation Church, and New York Times bestselling author) One day, someday, there will be a day where you will need the down-to-earth wisdom in this book like you will oxygen. Because as Levi so aptly appropriates, our approach to sex and romance is of life-and-death importance---at least if you care at all about your soul, that hidden thing at the core of who we are that filters the way we experience everything we do in life and death, for better or for worse. And at the core of this book is a soul-watering desire to see yours be better, in a world that increasingly seems to be settling for worse. Levi makes the taboo seem candid, the old-school the new-school, and the difficult more than just possible but altogether life-saving. (•Joel Houston Songwriter, Hillsong United, and pastor, Hillsong NYC) I love that Levi is bringing to light the life-and-death power of sex and romance for such a time as this. I have two daughters, and there is a new level of crazy lately in the world. You should thank God that this book is in your hands. Swipe

Right is a timely, wonderful, prophetic, and needed message for our generation. (â •Christine Caine Founder of the A21 Campaign and bestselling author of *Unashamed*)Helpful. Timely. Needed. Swipe Right does what few dating books can: it calls us to a life of purity, fidelity, and honor, not in hopes of earning the perfect mate, but because we already have the hope of heaven and perfection of Jesus in our hearts. I am so grateful God has raised up Levi Lusko to be a voice of truth and grace-covered conviction for this generation. If you are wondering what Godâ ™s plans are for your love life, or leading those in search of his plan for theirs, you need this book. (â •Louie Giglio Pastor of Passion City Church, founder of Passion Conferences, and author of *The Comeback*)Sex is wonderful. Sex is powerful. According to Levi, while sex is the source of great pleasure, it has the potential to cause great pain. In *Swipe Right* Levi leverages his past as well as principles from the New Testament to help readers make better decisions and live with fewer regrets. (â •Andy Stanley Pastor, North Point Community Church, and author of *Deep and Wide: Creating Churches Unchurched People Love to Attend*)When it comes to sex, dating, and marriage, most of us would agree things arenâ ™t going well. We want something different, something better. Levi Lusko has written a game-changing book on pursuing the relationship God truly wants you to have. His book *Swipe Right: The Life-and-Death Power of Sex and Romance* is funny and engaging, while simultaneously practical and hard-hitting. Itâ ™s full of in-your-face truth that will empower you to love your future spouse in a healthy and God-honoring way. (â •Craig Groeschel Pastor of Life.Church and author of *From This Day Forward: Five Commitments to Fail Proof Your Marriage*)I wish this book had been around in 1970. I wish someone had handed it to a fifteen-year-old kid in West Texas. I wish someone had said to him, â ^Lucado, quit listening to the locker room lectures on sex. Listen to what God says.â ™ The book wasnâ ™t around back then, but it is here today. And Levi Lusko has a good word, not just for fifteen-year-old boys but for all of us to suffer the consequences of a sex-saturated society. This is a good book. Study it, ponder it, and, if you know a fifteen-year-old, tell them to read it. (â •Max Lucado New York Times bestselling author)In a cultural climate that attempts to treat the sacred nature of relationship and sexual intimacy as casual, Levi Lusko has yielded his pen to Godâ ™s hand to share what is paramount on Godâ ™s heart. *Swipe Right* is the clarion call this generation needs in order to understand that God is not keeping you from a thing; heâ ™s keeping you for a thing. The lie of the enemy is that we can easily recover from premature sexual intimacy without incident. A loving God knows otherwise. With love, balance, wit, and humor, Levi has crafted a book that will inform generations to come. This book isnâ ™t about ceasing external behaviors that donâ ™t honor God. Itâ ™s about living for God and loving God in a way where we honor his word---even regarding sex---when it is not convenient. And

we do so because we love him! (â •John Gray Associate teaching pastor, Lakewood Church, and author of *I Am Number 8*)Thank God for people like Levi Lusko who are dedicated to bringing light to the issues that we all face. *Swipe Right* is an inspirational look at love, sex, and romance and highlights what our generation so often misses. I believe this resource will help many to understand the true power and true beauty God intends for us in these important areas of life. (â •Ben Houston Pastor, Hillsong LA)The world begs us to view sex and romance through the distorted lens it has created. But Levi boldly approaches these topics with truth, honesty, wit, and biblical wisdom to point us back to Godâ ™s original plan for us. I really believe we need the *Swipe Right* message now more than ever before. (â •Lysa TerKeurst New York Times bestselling author and president of Proverbs 31 Ministries)Levi Lusko is in touch with a generation searching for truth and moral clarity. In *Swipe Right* he makes the case for sexual purity in a way which connects the culture with Godâ ™s principles for relationships. Every page is written with authenticity and saturated with grace and power. If you want to live a fulfilling life without regrets and experience a future with promise, this book is for you. (â •Dr. Jack Graham Pastor, Prestonwood Baptist Church, and author of *Angels: Who They Are, What They Do, and Why It Matters*)I was raised in the home of a woman who married and divorced five times. I have seen firsthand the sadness and loneliness that comes as a result of turning from Godâ ™s plans for relationships. God has his hand on Levi Lusko, and I believe that the word of God which Levi points to in *Swipe Right* is a much-needed drink of water in a desert of heartache. (â •Greg Laurie Pastor, Harvest Christian Fellowship and author of *Tell Someone: You Can Share the Good News*)Thank you, Levi, for speaking so plainly and powerfully to what is wreaking havoc among so many today. To say that *Swipe Right* is an important book for all of us would be quite an understatement. We all relate to the pages of this book. This is a word for right now, a warning sign for the days and culture we are now living. I appreciate the direct and honest way Levi approaches the power of temptation, lust, romance, and love. As I read this book, I kept hearing the words of Jesus: â œThe thief comes to steal, kill, and destroy . . . but I have come that you might have life to the full.â • May this book spur you on to a full, abundant life instead of one that is empty and stolen. This is more than just a book; itâ ™s a life jacket! (â •Chris Tomlin Grammy Awardâ “winning musician and author of *Good Good Father*)I believe that if you want to know Godâ ™s way, you must learn to follow people who know and live Godâ ™s Word. Levi has faithfully walked on this journey, wherever God has led him. Through amazing triumphs and devastating valleys. Relationship navigation doesnâ ™t have to be the scavenger hunt so many people make it. Levi shows that God will light our way, if we allow him to. (â •Carl Lentz Pastor, Hillsong NYC)In a time of relationships riddled with confusion and rattled by unnecessary

heartbreak, I'm excited that Levi is sharing his scripturally founded wisdom with us. It's my hope that whoever reads this will have their thoughts of the heart as seriously provoked as mine have been. Beyond Levi's knowledge on the issues of relationships, his true heart for people is what drives him to help point us at not just the real and clear problems but the purely focused solution. (•Ryan Good Producer, writer, and entrepreneur)Swipe Right isn't just another book of how-not-tos but an honest, gritty, and real-time approach to navigating dating, sex, and romance with our souls and sanity intact. I'm so proud of my friend Levi Lusko for his bravery and courage, and for offering honest, biblically-based guidance on this subject when so many are trying to find their way in this ever-evolving dating and mating culture. (•Judah Smith Lead pastor, The City Church, and New York Times bestselling author of *Jesus Is _____*.)

Review of: "Swipe Right: The Life-and-Death Power of Sex and Romance Paperback Â" February 21, 2017," by Levi Lusko (Author). Great book on a very important subject. The publisher's description reads: "God wants you to have amazing sex. There is nothing more powerful on earth than the forces of love, sex, and romance. In fact, relationships are a matter of life-and-death importance. So how you can train today for the relationship you want tomorrow? In Swipe Right, Levi Lusko shares with raw honesty from his own life experiences and God's Word how to regret-proof your marriage bed and your deathbed; resist settling for instant pleasure by discovering what your heart really longs for; learn how to avoid and treat sexual scars by careful living today; turn the clumsy sex talk with your child into dialogue that leads to wise choices; transform a stagnant marriage by trading predictable nearness for mind-blowing intimacy. God's dreams for your life are not intended to kill your joy but to enhance it. Whether you're fed up with dating and hooking up as usual, tired of being single, numb because of porn and casual sex, or curious about how to improve your marriage, this book is for you." I purchased this book for my teens so that they can continue to make good choices in regard to dating and cultivating relationships. Well done!

I absolutely loved this book, I read Levi's book called Through the Eyes of a Lion and it was great so I just had to get this one. I am blown away by how incredibly informative and how relatable this book was. This is a great book for young adults, and it talks a lot about how sex is viewed in the times that we are in and how God actually meant for sex to be. I love how in the book and even in the description it says "God wants you to have great sex!"

I'm only in chapter 5, but this is a great book. It's a must read for everyone; teen, parent, young adult, adult. He managed to reach all audiences, use humor to keep the reader engaged, and make it an easy read unlike most books on this topic.

Five stars and three cheers for Levi Lusko! I am definitely not a millennial chronologically speaking...not even young enough to have been included in the boomer generation. But, the book spoke to my heart and I am going to recommend it to every man I counsel and every man I care about.

I purchased this book for my daughter and she said this book is very inspiring, encouraging and teaches a lot of practical things. She highly recommends people to get this book. She says she loves the book and it's the greatest book ever.

I enjoyed the heart and content but it felt at times disoriented. Levi has great insight but a lot of the ideas he presents I have heard before. Still if you haven't read any relationship books or you are looking for one for your teen or young adult friends then this will certainly lead them in the right direction

Very well done book that tackles sex head on and the impact we can have on our lives in so many areas following God's plan for sex. Levi has a great way of relating with popular culture and the impact sex is having on all of us.

A-mazing! Life-changing! Levi Lusko has an insight into this generation and his wise words can save you from making big mistakes that could cost you your future. He offers hope and a future for those who have already fallen off the path. Levi speaks from a place of experience and deep honesty. I read this book with a group of women in my church and I know that it has changed my life :)
