If you like men & cats, this book of photos is for you.

My roommate loved this gift. It's funny and would be a great piece to leave out on a coffee table.

I keep it on my coffee table for a chuckle now and then. Guests always love it, too. Fun book.

This book is hilarious! I bought it as a gift for a cat lover and it went over really well! The pictures take up about half of each page, so there is a fair amount of white space, but that's not what you focus on as you're flipping through. The pictures are high quality and the cats are super cute. It's a cute size as well, not too big. Great "read!"

Beautiful pictures.....hilarious also!!

Bought it for a gift for a friend. Was a little disappointed that the photos weren't together but I still liked the theme they had going on. Plus if the photos were together, they'd just be copying Hot Guys Baby Animals, and no one likes a plagiarist. So I give it a square A- for originality.

Nice present. is really funny.

I bought this for a friend as a gift and she loved it. The men are attractive and the cats are cute.
