Windy City Magic, Book 2 The Sweetest Kind Of Fate

Synopsis

GREAT. I've somehow found myself tangled up with a siren, a mermaid, and a homicidal wicked witch who once tried to strangle me to death. Way to go, Amber! Amber Sand, legendary matchmaker, couldn't be more surprised when her arch nemesis, Ivy, comes asking for her help. Ivy's sister, Iris, is getting married, and Ivy wants to prove her sister is making a huge mistake. But as Amber looks into Iris's eyes, there doesn't seem to be a problem-Iris has clearly found her match. It seems happily ever after is in the cards, but when Iris seeks out a dangerous, life-altering spell, it's up to Amber and Ivy to set aside their rivalry and save the day. While Iris is willing to put everything on the line for love, Amber continues to wrestle with her own romantic future. Her boyfriend, Charlie, is still destined for another, and no matter how hard she clings to him, fear over their inevitable breakup shakes her belief system to the core. Because the Fates are never wrong-right?
