Birnbaum's Disneyland Resort 2007: Expert Advice From The Inside Source: The Official Guide, Disney Editions: Insider Tips On How To See And Do It All

Synopsis

This updated edition of Birnbaum's Disneyland Resort, the most respected and well-known name in Disney guides, takes readers through Walt Disney's first theme park with ease and flair. Since our guide is the only guide that's official, this book includes the most accurate and current information on prices and attractions.

in Books > Children's Books > Geography & Cultures > Travel

Age Range: 12 and up

Grade Level: 7 and up

Customer Reviews

I bought this book because I had used the Birnbaum's 2005 Walt Disney World book and loved it. The layout is very appealing, easy-to-read, and lots of pictures. It really gives you all the information you need to be prepared in a quick reference way. This will be my first time to Disneyland. I found that there is not as much info on the internet on Disneyland as there is on Disney World. This book is great for showing all the rides, restaurants, shopping, and other activities that Disneyland and Anaheim have to offer. However, if you prefer the meatier, no-nonsense travel guides, I would suggest going with the Unofficial guides (I used that one for Disney World, but have not used it for Disneyland).

I found this book to be pretty good and used it throughout our October trip to Disneyland. I even found my husband (generally anti-Disney) reading it while we took rest breaks at our hotel. I still prefer the Unofficial guides to this book even though Birnbaum's guides are Disney approved (sugar

coated). I believe this book is informative and well laid out (colorful and the maps were good). Definitely recommend a mid September/October visit to avoid the crowds (the book recommends it too).

Item exactly as described. Very satisfied.

This book has some good information, but it feels very biased (as if it is written by the Disney people to encourage you to spend as much money as possible at Disneyland). It is worth reading, but should not be your only resource!

I read this before my first trip to Disneyland and I am very glad that I did. I was very much under the impression that Disneyland was just like Walt Disney World's Magic Kingdom. I was pleasantly surprised. This book gave me quite a few things to look for and more than a few tips to make the most of my 5 days at the resort. I had purchased the same guide for WDW several years back and am glad that I picked up this one too.

A definite if you are going to Disneyland. It answers all of your questions and is very helpful.
