## Customer Reviews

Bought this for my senior father and his girlfriend to keep their minds sharp. They love it. Only

improvement I'd suggest to the manufacturer: Leave the non word search pages "blank" so that folks can use the therapy of coloring as well as the brain stimulation of the word search. Good quality pages/binding. Nice buy.

It is not my style. Wasted pages for coloring and hard to do searches.

Christmas gift for an elderly realative who loves to do puzzles. The cover is nice and it's made very well.

Great product and arrived very quickly

Its a great gift

Great puzzles

Got this for my grandma, the pages a nice, not cheap feeling, very decorative, very mentally stimulating. Would be great for anyone who enjoys word searches

My wife had a great time with this book.
