Victor Borg has a well established background in travel writing having been published in Malta, the UK and the USA. He is a regular columnist for the Maltese daily paper, Malta Today.

This pocket sized 400 page guide to Malta & surrounding islands is full of facts, details, and helpful hints. This is a British made publication, which means: 1) you have great detail on after hour clubs, bars, and entertainment; 2), there will be practically no attempt to help you with the local language (which for the most part the natives can understand & speak English, even if they are heavily accented); 3) there will be no hesitation to give opinions along with the facts; 4) there will be good information on bus routes and transportation options. There are only 4 pages of photographs out of the 400, so it helps to team this book up with one like the AAA Spiral Guide which is chock full of photos, but this Rough guide is the one to stick in your pocket when you head out into the street.
