Since 1937, Merriam-Webster is America's foremost publisher of language-related reference works. The company publishes a diverse array of print and electronic products, including Merriam-Webster's Collegiate(tm) Dictionary, Eleventh Edition - America's best-selling desk dictionary - and Webster's Third New International Dictionary, Unabridged. Merriam-Webster can be considered the direct lexicographical heir of Noah Webster. In 1843, the company bought the rights to the 1841 edition of Webster's magnum opus, An American Dictionary of the English Language, Corrected and Enlarged. At the same time, they secured the rights to create revised editions of the work. Since that time, Merriam-Webster editors have carried forward Noah Webster's work, creating some of the most widely used and respected dictionaries and reference books in the world.

Very handy and easy to bring around and learn and build your vocabulary, all at the same time. Get it at once. One thing, only, is that the letters are a little small and close to each other. Other than that, it is great to have these with Speak Tagalog, A Basic Primer book by Juanita de Guzman

Fun book

This book is a good deal for the price. No, they didn't use high quality paper for the pages- but, you get what you pay for. :) The book is useful and practical. If you're looking for something of high quality, I would keep shopping. But, if you're looking for a functional Vocabulary Builder at a great price- look no further! :)

I haven't finished reading it but I sure have learned lots of fascinating words and concepts. Something I can draw on the rest of my life.

definitely useful to have on your phone while reading.

This book has been helping me since I been in school to assist with expanding my vocabulary skills. This book has helped with proficient vocabulary skills within my writing course. Effective writing with the proficiency of utilizing proper vocabulary has been exciting for me. I would highly recommend this book for anyone who is looking to expand their vocabulary.

It is a very good book. I am very happy ã Æ Æ^Æ ã Æ Æ^Æ
