Customer Reviews

Purchased for sons college class as a requirement for the class. He was able to utilize the book not just in the classroom but for field work as well. We also own a small pig farm and often things he learned from the book and class were utilized here as well. Item was in mint condition, arrived on time and packaged great. We decided not to sell back or sell to classmates as this is a good book to keep on the shelf if your in the animal Ag industry.

Came quickly and as expected.

Fast delivery and just what I needed

Getting this book at a good price was not easy. But i managed to find one in my price range that did free shipping.

I ordered this book for my class at school and was so happy that it arrived FAST and in PERFECT condition !!! Thank you.
