Beyond The Rails: USA Cross-Country Train Travel

Synopsis

Did you know that you can travel for two weeks, visit eight different destinations all for less than the price of a round trip airline ticket? Have you ever wanted to take an adventure unlike anything else you have ever done? Do you want a quantity of quality time with your family or friends? Did you know that a train adventure can provide the most incredible scenery, all while offering the epitome of relaxation? Insider secrets, travel planning, sleeping on a train, what to bring, where to sit and so much more are all inside the pages of this book. Over twenty destinations are featured in the "Day Trippers" section of the book including visits to national parks as well as major cities. Get the ins and outs of train stations in the United States, no two are alike, find out what to do and where to stay once you arrive! Go Away, Plan the Trip of a Lifetime!

Customer Reviews

A lot of thought went into this book. I'd like to thank the author for the great information. Thank you!

Never traveled distances by train. Now I really want to go across country and follow some of the authors ideas. Easy read with great pictures.

Informative. Well formatted and organized. If you re interested in taking a trip by train, I would recommend you read this book.

Excellent guide to a unique, affordable and fun way to travel with family!

Such a great read and so informative! Makes me want to book my trip now

Full of "real advice" and great recommendations! Makes me want to book our next vacation by train. As my friend, the author, says everyone says to her, "I have always wanted to do that". A must read if you plan to see this country by train
