Call me old-fashioned but I don't think a book about kids songs should include 99 Bottles of Beer on the Wall. I can't take this book into a classroom and use it with kids. Other than that, it's a perfectly fine book..but all the songs could be found on the internet for free. I wouldn't buy this. It's just not that special.

Most songs are easy to play for a beginning ukulele player like myself and I really appreciate the ukulele chord dictionary in the back of the book. My grandchild loves when I sing and play songs for him. He grins from ear to ear, claps his hands and bounces up and bounces up and down to the rhythm.
