ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, is the leading international map publisher with more than 425 map titles in print. The company's titles include many that are unique or the first of their kind, including an extensive series of travel and city maps covering Asia.

I was in need of a good sized, well detailed hard copy map of Taiwan for an upcoming trip. Local booksellers didn't have one. It seems Taiwan books AND maps in English are sparse. Take note, ensuing travel guide writers. Apparently "The Lonely Planet Guide" is the best of only a few, but I

digress. This map served me well for my trip. It's well marked, and street names and landmarks are large enough to easily read. A small Taipei metro map is provided on one side. I found it useful. One side of the map is a large city map of Taipei, the other side covers the entire island, as well as legends, etc. the map is colorful, printed well, and very helpful.

good job.

Great planning map. Drove around the whole island and it was great!

good map

A good map of inland nation and capital city that will be very useful for our visits with our son.

Just what my husband needed for his trip to Taiwan

Great map so far, although we have not left yet for Taiwan. It has been helpful in planning our trip as it is well labeled and fairly detailed for the size.

You could find a much better map, although the Taipei side is pretty extensive.
