Best Sellers Rank: #78 in Books > Audible Audiobooks > Language Instruction > French #1012 in Books > Audible Audiobooks > Nonfiction > Reference #2547 in Books > Reference > Dictionaries & Thesauruses > Dictionaries

Customer Reviews

As I was considering using this book with adults learning French, I checked it out on my Kindle first. I was shocked to find spelling errors with some of the basic expressions, such as Comment t'appelles-tu? was written Comment appelles-tu without the necessary "t" pronoun and also with the corresponding vous form, Comment vous appelez-vous which similarly skipped the pronoun and was written as Comment appelez-vous. I also noticed a mistake in adjective agreement, Bonne chance! (good luck) was written as Bon chance. The word and its article, une promenade, was incorrectly written as "un promenade". Further on, the expression "avoir une faim de loup" is written without the article as "avoir faim de loup". This is misleading as usually, the expression is spoken as "J'ai une faim de loup". Although these are only a few mistakes, these are very basic words and expressions that are often used and should be correctly spelled in any instructional French book. To not have discovered these errors in proofreading is completely unacceptable. How would a beginner know what is correct? I would discourage anyone from relying on this book to learn even a

few expressions.

The French language can be frightfully puzzling and daunting, but the author of this e-book has made it seem like a breeze. With a range that showcases the author's command over the language, this little book is enchanting to say the least. I particularly liked the conversational tone which is maintained right through, devoid of anything overtly scholarly or intimidating. It has a depth, and yet it stays clear from being labelled exhaustive or wordy. I also enjoyed the snippets of subtle humour that shines through in some of the chapters. It has a well-wrought structure and defined scope which the author manages to meet with ease. This e-book is short, simple and engaging. It makes for light and informative reading.

Satisfied with this purchase. Easy to use!

This e-book isn't lengthy at all! That's what I loved about it. It doesn't assume an air of something it isn't, and offers you a veritable taste of the French language.
