Visioneering: Your Guide For Discovering And Maintaining Personal Vision

Synopsis

Lift Your Vision High Vision is a preferred future. A destination. Vision always stands in contrast to the world as it is. Visioneering, according to bestselling author Andy Stanley, is a clear mental picture of what could be, fueled by the conviction that it should be. • With warm, down-to-earth practicality, Andy Stanley explores the ordinary life of Nehemiah and his God-given vision for accomplishing the extraordinary. He shows how the life of this great ancient visionary, determined to rebuild the ruined walls of Jerusalem, reveals principles that can prepare us to find and follow God's multifaceted vision for our own lives. Now this bestseller is again available in an attractive, affordable paperback! Everybody ends up somewhere in life. You can end up somewhere on purpose! Visioneering is the engineering of a vision. It's the process one follows to develop and maintain vision. Vision, writes Andy Stanley, is a clear mental picture of what could be, fueled by the conviction that it should be. • In the bestselling Visioneering, Stanley builds a compelling case for the necessity of a clear, God-ordained vision for each of the roles of your life. This is the first book I've read by Andy Stanley and now I want to read all his books. I've heard a great number of preachers and Christian speakers give advice about business but they have little to no experience other than their own ministries. Andy has done a great job of using scripture and applying practical real world examples of how to have a vision for your business and your life.

An absolutely wonderful book! Visioneering provides an insight into the leadership principles of the Old Testament prophet, Nehemiah and how one can apply his principles and ideals in modern society. I knew I was going to enjoy this book because Nehemiah is my favorite character in the Old Testament. I have also listened to Andy Stanley's sermons and have been very impressed with how practical he is. He does not try to get too technical with the details and preaches as well as writes in a way that can be read and heard by anyone in any situation. I highly recommend this book to anyone who needs some sense of direction in life as well as encouragement in maintaining principles and standards in a complicated and broken world.

Andy Stanley has done a masterful job sharing how an ordinary man like Nehemiah, and me for that matter, can lead courageously in a way that honors God. He lays out practical steps to clarifying the vision God has birthed in you and helpful tips on how to stay focused to the end. In my opinion every Christian leader whether a businessman or woman or a church leader should read this book and ask themselves this ... Do I understand God's vision for my life and am I in the process of faithfully living it out before Him as I boldly lead others? Thanks for the challenge Andy!

TERRIFIC BOOK...This book came recommended from a friend and it did not disappoint. A must read for any leader or future leader.

I was very inspired by Visioneering. Timing is everything and reading this came exactly at the time that I needed it the most which is now.

I absolutely really like this book! It is just what I needed! It teaches in an easy read format and at the end of each chapter is practical questions to get you thinking and motivated without all the

emotional "how do you feel" junk you see in most books these days.

We always hope of having 1 grand vision, but reality is that we have different normal visions in different areas of our lives. This book is for people with a grand vision and for people, like me, with ordinary visions.

If you believe that God has a plan for your life, but are unsure of what it is. Or if you know He has a plan for your life and you know what it is, this book is for you! Great advice on allowing God to lead while we prepare for His purpose in our lives. Stanley uses the story of Nehemiah to illustrate how God works in our lives according to His purpose. This book is a great encouragement and very inspiring.
