100 Things To Do In Baltimore Before You Die (100 Things To Do Before You Die)

Synopsis

100 Things to Do In Baltimore Before You Die explores the must-do and must-see parts of Charm City for visitors who have a few minutes or a few days and for those who are visiting for the first time and those who visit regularly. It digs a little deeper for residents who have been here for a decade or an entire lifetime, marking such unusual aspects of the usual as the revolutionary layout of the Contemporary Wing of the BMA that set as much a trend in design as Orioles Park at Camden Yards did for retro designs of baseball stadia. 100 Things to Do In Baltimore Before You Die explores the popularity of snoballs, Rheb's candies, and Natty Boh beer and fuels the continuing debate about where to find the best crab cake and pit beef. There's also a note about the best places to watch Inner Harbor July 4 and New Year's Eve fireworks.

Judy Colbert is an award-winning author and photographer who has been writing about Maryland, Baltimore, and the surrounding area for the past three decades. She has numerous books to her credit including It Happened in Maryland, Maryland and Delaware Off the Beaten Path, Insiders' Guide to Baltimore, and Peaceful Places Washington, D.C.

I live on the west coast and have never been to Baltimore, but now I know I need to go! Seasoned travel writer Judy Colbert not only tells the Charm City neophyte what to do and where to go, but she captures Baltimore's heart and soul. After I hit the tarmac, it's straight to Bad Decisions for Beer & Bacon night. Next day, on to Carroll Mansion or the Babe's birthplace and museum three blocks

from Camden Yards. Sounds like there's a great craft beer scene throughout the city. This book is easy to carry or keep in your bag for reference as you tromp the known and lesser known corners of Baltimore. Thumbs up to Judy Colbert for a fun and informative read. Take me to Baltimore.

My friend and I are always looking for the unique places to take a day-trip. Ordered this book in the hopes of finding some unknown places to try.. AMAZING results! We have our winter list all chosen and ready to start. Highly recommend this book ---- to my fellow Marylanders --- find what is right in your own backyard. Well written, informative....

I am from Baltimore but lived away for a long time. So I feel like a tourist now that I live here again. This book has a lot of great suggestions for s Baltimore "daycation" as I call them.

Fantastic book! I highly recommend just about every stop in it. The number one spot in the book is a must see--Rheb's Candies. The best chocolate in the world!
