Thomas Kinkade , the Painter of Light™, emphasized simple pleasures and inspirational messages through his art and the branded products created from that art. From textiles, to collectibles, to music and books, Thom believed that both the ability and the inspiration to create his paintings had been given to him as a gift. His goal as an artist was to touch people of all faiths and to bring peace and joy into their lives through the images he had created.

My father was diagnosed with stage 4 lung cancer last summer. I immediately sent off for this book for him to fill out. He has always been a huge Thomas Kinkade fan. He used it to create the ultimate Christmas gift for my son. We are blessed to still have my father with us a year later, and his memories written down for future generations.

Grandchildren's instructions from granddaddy.

Good questions. Def religious Christian. Um nice pictures. Laid out nice. I think we will enjoy it. It's nice. Good price.

Beautiful photos by the painter of light, quite a few questions will be religious or Christian. Many good questions and topics. This was a gift and very much appreciated.

This is a third time order for me. I did one with my grandfather and am working on one with each of my daughter's grandfathers. I have found it much easier if I sit down and ask them the questions and write the answers myself. Otherwise, if I waited for her grandfathers to do it, it would never happen. The results this way have been a true blessing.

Beautiful Book was in excellent shape. Alot of fun to find out about their lives. It has great questions and beautiful pictures throughout.

I bought this for my grandfather to fill out last year. I thought he had forgotten about it, but at Christmas I got it back under the tree. The pictures are beautiful and the book has questions in it that I would have never though to ask. If you really want to know about your grandfather, get this book. I loved that the pictures were by Thomas Kinkade, they just fit together so well. Beautiful product, great questions!

I gave this to my son who has a new grandson and he loved it. It was for both of them. Everyone cried. Smiles all around.
