Customer Reviews

Praise for Ranger in Time: Rescue on the Oregon Trail "This excellent story contains historical details, full-page illustrations, and enough action to keep even reluctant readers engaged." -- School Library Journal "The third-person narration expertly balances Ranger's thoughts between the appropriately doglike (squirrels! bacon!) and the heroic (Ranger's drive to find and protect)." -- Kirkus Reviews "McMorris's richly rendered illustrations heighten the plot's many moments of danger and drama, and Messner incorporates a wealth of historical details into her rousing adventure

story." -- Publishers Weekly

Messner has created an enjoyable early chapter book series that combines the adventures of a dog with history. What a fun way to encourage children to learn more about the past. In this volume of the series, Ranger ends up in the Colosseum in Ancient Rome where young Marcus works as a slave for a gladiator school. When Marcus gets attacked by a lion, Ranger races to the rescue along with a recently recruited gladiator named Quintus. Quintus doesn't seem to have what it takes to be a gladiator but Marcus does what he can to help. Ranger, a trained search and rescue dog helps Marcus find Quintus when he runs away. But can Ranger save the day again when Quintus ends up in the arena fighting the most experienced gladiator from the school after only a few days of training? The story moves quickly which is bound to help young readers finish the book quickly. The illustrations are a nice touch as well giving the reader a glimpse into a very different world. The authors notes at the end I thoroughly enjoyed as Messner gives the reader a look into her research process and what she learned about Ancient Rome. A fun series for young readers.

Our family loves this book series! My kids (ages 5 & 9) enjoyed learning about the different places Ranger goes & it sparked great discussions with them. The books made such an impact on our family that we just HAD to name our new golden retriever puppy Ranger :)

My son loves this series and he can't wait for each book to come out. He really enjoyed reading it. Great price too!

So far I've liked #1 the best, but my son liked this one too!

My 7 year old loves this book.

Cute Stories!

My 6 year old liked this one better than the first one. We read a chapter each night and she always looked forward to our reading time together."I like Ranger a lot!" - I asked her if there was anything she wanted to say about it and that is what she said.

My 6 year old grandson loves this series of books. The book incorporates a lot of history which is always a benefit.
