The Rider Tarot Deck

Synopsis

The world's most popular tarot deck! This classic deck has long been a favorite of beginners as well as tarot enthusiasts. The cards were drawn in 1909 by Pamela Colman Smith under the direction of Arthur Edward Waite. Smith's vibrant drawings transformed the standard tarot deck. "A unique feature of the Rider-Waite deck, and one of the principal reasons for its enduring popularity, is that all of the cards, including the Minor Arcana, depict full scenes with figures and symbols. Prior to the Rider-Waite Tarot, the pip cards of almost all tarot decks were marked only with the arrangement of the suit signs -- swords, wands, cups, and coins, or pentacles. The pictorial images on all the cards allow interpretations without the need to repeatedly consult explanatory text. The innovative Minor Arcana, and Pamela Colman Smith's ability to capture the subtleties of emotion and experience have made the Rider-Waite Tarot a model for the designs of many tarot packs." -- (from The Encyclopedia of Tarot, Volume III) Rider-Waite Tarot was named one of the Top Ten Tarot Decks of All Time by Aeclectic Tarot.

Customer Reviews

Be forewarned. I am a professional reader and have used this deck for years. My decks wear out often and I have to replace them. I just opened a new deck (april 2016) and along with the new low price the quality is also low and awful. The cards are no longer glossy and much thinner than they have ever been before. I am so upset. I don't know where I will be able to find the previous edition with more durable and glossier cards :(

This is the classic tarot that started it all, and a must for anyone who collects tarot cards.

LOVE this set!! This truly can go for a more advance or even a beginner which i love about it! The cards are very bright and colorful. As well as the booklet that came with them was very easy to follow along and know exactly what card you picked. i also love that not only does it break each card down it also in the very back has the order to lay each card as well as what order you should pick and more in depth meaning!! I have used these about once a week and its such an insightful deck!! Also I feel it wasn't over negative ! I switched from the fairy deck to this one and I am very happy with it!! did pay full retail for this product!

Comes with a little packet explaining each cars. Great beginner deck. Firm cards and good size.

nice artwork, larger than playing cards but you can still shuffle if you have adult-sized hands. contains a small booklet with instructions and suggested interpretations to get you started, but there are better sources on the Internet that I like better. The only downside for me is that the ends of the box tend to pop open unless you are very deliberate while moving. You can probably keep the box in a ziplock bag to solve this problem.

I was pleasantly surprised to have a little booklet inside describing the meaning of the cards. It's small text but I'm planning on making a booklet myself-- it's a great little treat. The cards are glossy (a bit big, I found, but nice) and smell very fresh. It just gave me a very nice vibe holding them. I'm very happy with my purchase.

Deck arrived complete. Thanks!

I've been using these kind of deck since I was 14. I had to buy another one because my previous deck got wet. These are perfect.
