## Customer Reviews

Serious wine drinkers contemplating a trip to Italy will appreciate this lavish hardcover, which blends color travel photos of chateaus and villages with in-depth discussions of Italy's wine zones and wineries. This will prove the item of choice for any serious Italian wine drinker and traveller, providing plenty of background history, wine assessment, and insights on travel options. -- Midwest Book Review

Dated, but a must have for lovers of italian wine. A well researched and in-depth reference book by an authority on Italy's wine, essential in order to gauge an historical perspective of the developments in the italian wine scene.
