Le PainQuotidien began in 1990 as an artisan bakery in Belgium and has evolved into a chain 172 restaurants worldwide serving delicious, slow-fast food that does you good - all handmade with the best organic and local ingredients. With its communal tables where guests can sit and eat together in a tranquil, rustic environment, Le Pain Quotidien transports its customers to a simpler way of life.

Worldwide locations include Belgium, France, Switzerland, the United Kingdom, United States, Kuwait, United Arab Emirates, Turkey, Russia, Qatar, Australia, Spain, Mexico, Bahrain, India, Japan, the Netherlands and Brazil. Alain Coumont founded Le Pain Quotidien and currently serves as the Company's Chief Creative Officer. In this role, he remains the driving force behind the brand's dedication to organic ingredients. Prior to founding Le Pain Quotidien, Alain began his

career working as a chef with Michel Guerard, Georges Blanc and Joel Robuchon. He lives with his family near Montpellier, France. Jean-Pierre Gabriel is an award-winning author and photographer. His coauthored titles, Cacao: the roots of chocolate with Dominique Persoone and Matiere Chocolat with Stephane Leroux, both won Gourmand Cookbook Awards in 2009.

Wonderful book with wonderful recipes and photography HOWEVER the recipes are NOT exactly the same as in the restaurant. No surprise there I suppose? I wanted to learn how to make The Chia Seed Muffins, but the recipe in the book is soooo different from those on sale, yet STILL delicious. The book is beautifully bound and looks as good as the stores do.

Bought this as a gift. It came shrink wrapped and new, as described. Cover is solid and has fabric binding. Looks and feels high quality. Book contains numerous illustrations. Love the visuals. Recipes are similar to what is found in stores. Each location of the store varies in menu according to their site.

it's got some yummy recipes, but I prefer his other book Alain Coumont's Communal Table the recipes are better and the story is enticing.

I really like this book because it has great pictures of the food and includes many vegetarian recipes. If you want to make wonderful bread from scratch, you can learn it here, including making a sourdough starter. I don't buy many cookbooks anymore, but I thought this one was worth it.

Perfect party recipes !

I bought this book because I love gazpacho from Le Pain Quotidien. Now that I've got their cookbook I can make it any time! In addition to gazpacho, I already tried their carrot salad and oatmeal with berries. All three dishes had easy-to-follow recipes and turned out yummy. Enjoy!

Simply an outstanding cookbook.

Love the restaurant and great cookbook
