Customer Reviews

For the price (I got this book quite discounted) it was worth the purchase. I bought it for our 11 month old (at the time) who loves tractors! This is a bit advanced for his age as it labels the specific types of tractors. For now, we just say "green tractor" or "red tractor." Maybe for an older child (2 or 3) this would be more age appropriate for a quick "car ride" type book. I highly recommend the large "Big Tractor" book in the shape of a tractor as the best tractor book for a 1 year old.
