# Problems And Materials On Secured Transactions [Connected Casebook] (Aspen Casebooks)

## Synopsis

Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes â “ portability, meaningful feedback, and greater efficiency. This brief, Problems-based book is popular with students and instructors alike because it offers clear text and a practical, straightforward approach to the law of secured transactions. Secured Transactions is a difficult course, but the authors make it interesting through a juxtaposition of Problems designed to illustrate the issues addressed by the relevant section of the Uniform Commercial Code, along with representative cases and textual explanations for the more recondite issues. Throughout the book emphasis is placed on the actual practice of law in this area where expertise often leads to job offers. Features: Thorough and up-to-date coverage on black letter law. Popular Problems approach enjoyed by professors and students alikeâ ”straightforward and practical Problems, with interesting fact patterns, explore different portions of the Uniform Commercial Code and provide students with the important context (while still allowing them to determine the answer independently) in which the issues arise. Important cases which are teachable and interesting and illustrate the reactions of the courts to the issues. Flexible content and organizationâ ”adaptable to many teaching styles, and allowing the instructor more freedom to structure the course. 9th ed. features new case (In the Matter of Faith Ann Peaslee and Others), new/expanded Problems on key issues, and an updated Teacherâ™s Manual. CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. OUTLINE TOOL Most professors will tell you that starting your outline early is key to being successful in your law school classes. The Outline Tool automatically populates your notes and highlights from the e-book into an editable format to accelerate your outline creation and increase study time later in the semester.

## Customer Reviews

Whaley is James W. Shocknessy Professor of Law, The Michael E. Moritz College of Law at The Ohio State University. Professor Stephen McJohn is a professor at Suffolk University Law School in Boston, Massachusetts where he teaches in the areas of intellectual property and commercial law. His scholarly interests lie in areas touching on law and technology, such as intellectual property, computer law, artificial intelligence and legal reasoning, and economic analysis. Professor McJohn received his B.A. in Computer Studies and his J.D., magna cum laude, from Northwestern University. After studying law in Germany and completing a federal appellate clerkship, he practiced law in the Chicago office of Latham and Watkins and taught at the IIT Chicago-Kent School of Law.

good

The problems in the book made understanding secured transaction very easy. I did well in the class with no additional resources besides of supplement book containing nothing more than the article 9 and bankruptcy laws

Great condition

Great!

Imagine an Examples and Explanations (E&E) without the description of the law before and without

any explanations to the problems after. That is what this book is. Any "explanation" is to a case cite or UCC cite, which you then have to look up yourself. Going to westlaw/lexis after every problem to try to find the answer yourself quickly becomes tedious. I have never written an review before, but this book is the worst case book I have ever had, I couldn't let it go. Authors, if by some miracle of god you are reading this, at least put a sentence or two explanation at the back of the chapter for each problem. However, we already have books like that. They're called E&E's.
