## **Customer Reviews**

I have already read most of the pot cookbooks out there on the internet. Some of them are good and some of them are useless. But this book is a very exceptional one. From first to last, this book will give a perfect attraction towards pot cooking and how to perfectly cook recipes using pressure cooker in a very short time. This book was a great experience for me.

This is a great book on Instant Pot. All of the things, tips and recipes that I need to know about Instant Pot are already included and well written inside. Harry Wells has done an incredible awesome job in compiling and creating this book. Also the unique part of this book is the compilations of the 101 Healthy and Easy Instant Pot Recipes For Your Pressure Cooker. Very healthy, delicious and easy to prepare. This book is really a great resource for those who want to learn more about Instant Pot.

The recipes here are delicious and easy to cook. ItÃ¢Â™s really astounding. Strongly suggested for those who wants to prepare fast and easier meals. I purchased this book so I can enjoy quick and easy recipes. This book will make you realize how easy instant pot cooking is. Get it and you won't regret it.

The greatest thing about the instant pot is it saves time, you can put all your ingredients in. This book shows how to maximize the use of the pot with recipes for both vegetarians and pressure cooker. Its an amazing book all in one pack.

I like the way the author gives brief introduction about Instant Pot and how this intelligent multi-cooker helps you in the kitchen for making healthy and delicious meals everyday. This book gives you tips on how to use it properly. I prefer the simplicity of recipes, they are all easy to prepare and truly flavorful and healthy.

I have completed reading the whole book and I started following it. It really helped me a lot to save a lot of time every day. The recipes are never boring also, because everyone loves these recipes.

There are a lot of different recipes given in this book and they are really tasty. I highly recommend everyone to buy this book. Great book!

It is an amazing guide, which gives more useful information. I should appreciate the author who had written well, highly recommended.

This cookbook will help you understand exactly what an Instant Pot is, how it functions, what meals can be prepared in it and the benefits of using one. There are a lot of different recipes given in this book and they are really tasty. I like some recipes very much such as pure poached eggs, hard boiled eggs and breakfast bread pudding etc. Thanks to author for this book.
